Review of Progress on Plan

Richard has annotated views

Julia & Indra have taken photos from the footpaths and key views

Peter has aligned drawings (figures) in the Appendices with those in the man body and re-indexed

Actions

Richard's suggested photos

- (onto memory stick and with PK by Thursday)
- Views of Tump (several)
- Interesting plants
- Across Cross Farm, including landform from both of FP5
- Hillyburrow in spring-time

Dogmersfield - Julia to comment on the Gap between settlements in Hart LP

Formatting

- Ensure all pictures (Figures) are large enough to be legible
- Shuffle Appendices to place more important to the top and less important to the end (due to time pressures, this may have to wait until during consultation period)
