Review of CVPC NP Progress and strategy for completion

John Slater has seen the draft Neighbourhood Plan and most of his suggested comments have now been addressed.

JA stated she needs to complete the evidence base for Green Spaces.

TC to search the Hart Local Plan evidence base to locate additional evidence on Green Spaces, Local Gaps and Conservation Areas.

The deadline for the publication of the Neighbourhood Plan is end March 2018.

A map is required which shows the SPA, SINC, etc for Hart District as a whole.

CA to try to search PC minutes where the PC has approved requests from parishioners regarding Assets of Community Value, eg. Black Horse pub, the Social Club and the W.I. Hall.

PK together with Richard Hellier to identify important views and describe the panoramic view of Cross Farm, etc. The rationale needs to be further expanded.

Regarding Protected Open Space, the comments are needed to cover the old village. A plan is needed of the open space.

PK to do a map of Local Green Space, this should cover the Zebon Centre and playing fields, Lea Green and The Crescent.

TC to add to Jas comments regarding the Local Green Spaces.

Appendix C – Local Green Space designations should be checked.

Traffic – TG-J will complete this week. Traffic policy, rationale and evidence. He will try to create the wording of the policy to ensure no net loss of parking.

Date of next meeting: Tuesday 10th April 2018.

The meeting closed at 9.30 pm.
